Handlers may opt to enter in a higher height division for all *Regular* titling classes and the **FAST** titling classes, but not in a division lower than their proper height division. Dogs entered in the **Preferred** classes may not compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Mixed breed classes may only be offered at standalone all-breed AKC agility trials. A standalone agility event is defined as an agility trial that is not held on the same date and show site as an AKC All-Breed Dog Show or Independent Specialty for conformation.
