All About the Height Cards

All dogs, regardless of jump height, who are under two years of age and do not have a temporary height card or are over two years of age and do not have a permanent height card must be measured

prior to their first run of the weekend. It is the exhibitor's responsibility to ensure their dog is measured before their first run.

Measurement of dogs will take place near the score

table each day for 10 minutes at the top of each hour. If you need to be measured "raise the flag".

Cindy Macklin will measure.

Volunteers

The Sacramento Valley Shetland Sheepdog Club would like to thank you in advance for volunteering to work at this year’s event. To show our appreciation, each volunteer will receive raffle tickets for the worker raffle and a voucher in the amount of \$2 for each class worked. Vouchers are valid towards entry fees at future agility trials, lunch, or any vendor present this weekend. Vouchers will be distributed by the ring coordinators, Pat White and Julie O’Rourke.

Dry erase boards will be located near each ring. If you see a blank space and have free time just write your name in the blank.

What's That Thing On Your Arm?

Several times each weekend I am approached and asked about the black strap thing on my arm but if you don't care stop reading now.

Some of you have noticed there are several agility exhibitors and spouses wearing these devices. In answer to your question, they are called Body Bugg. You can Google Body Bugg or log onto www.apexfitness.com for the details but in a nutshell they monitor calories burned, steps taken and minutes of activity. I refer to mine as an insurance policy against morbid obesity. Reaching a health weight and fitness level is my main goal this year. Thank you for your kind words of encouragement and my goals are met. Good luck in your health and fitness routine!
