All About the Height Cards

All dogs, regardless of jump height, who are under two years of age and do not have a temporary height card or are over two years of age and do not have a permanent height card must be measured

prior to their first run of the weekend. It is the exhibitor's responsibility to ensure their dog is measured before their first run. Measurement of dogs will take place near the score table each day

for 10 minutes at the top of each hour. If you need to be measured "raise the flag".

Kathie Leggett will measure.
