All About the Height Cards

All dogs, regardless of jump height, who are under two years of age and do not have a temporary height card or are over two years of age and do not have a permanent height card must be measured prior to their first run of the weekend. It is the exhibitor's

responsibility to ensure their dog is measured before their first run.

Measurement of dogs will take place near the score table each day for 10 minutes at the top of each hour. If you need to be measured "raise the flag".

Cindy Macklin will measure on Saturday and Sunday. Kathie Leggett will measure on Friday and Sunday.

Gear Tags

The Sheltie Club would like to invite all exhibitors to make their own gear tag. Betty Sidlinger will be near the score table with stickers, construction paper, scissors, the call name of every dog entered pre-printed and a laminating machine. If you bring a photo of your dog it can be incorporated into the tag. The maximum photo size is 3 1/2 x 2 1/4 (business card size). Photos can be trimmed at the site.

Course Maps

Once the Judges arrive at the show site hard copies of the course maps are placed in one of the three black file boxes labeled either Excellent, Open or Novice. A copy of each map is posted in the score posting notebooks. The file boxes and score posting notebooks are located at the score table. Copies of the course maps are based on entry numbers so please DO NOT take a map unless you are actually in that class. By taking a course map for a class of which you are not entered you are taking a map from another exhibitor which is considered unsportsmanlike conduct. Each weekend we run out of Open and Novice course maps *before* those exhibitors arrive for check in. These exhibitors become very upset when the maps are gone and often express their dissatisfaction with the score table crew who have *nothing* to do with the printing of the maps and who simply do not have time to question each and every exhibitor as which class they are entered then pass out the corresponding map. It's the honor system folks so let's be honorable.

Exhibitors should consider bringing with them to the show tracing paper and a pencil. If the maps are gone they can trace a map from the posted copy.

Lastly, DO NOT remove the map posted in the notebooks.
